

MOUNT ST. HELENS INSTITUTE Seasonal Science Educator

Position: Science Educator; 4 positions available
Compensation: \$12.00-\$16.00 (depending on experience)
Term of Employment: April 15, 2019 – October 25, 2019. This is a non-exempt, temporary, seasonal position.
Closing Date: February 24, 2019

ARE YOU:

- Passionate about science and the outdoors?
- Dedicated to working with diverse youth?
- Looking to build your resume in informal science education, non-profits, event planning and facilities management?

SUMMARY:

The Mount St. Helens Institute Science Educators support our hands-on science education programs including day and overnight programs for youth ages 6-18. Under the direction of the Mount St. Helens Institute's Science Education Manager and with the support of the Science Education Coordinator, the Science Educators will work with the entire education team to develop activities, lead hikes, implement learning activities both indoors and outdoors, host groups, and maintain our vibrant and growing education programs. Read about our education programs at <https://www.mshinstitute.org/learn/>. Additionally, our education team hosts day and overnight rental programs, provides meal preparation and shopping for overnight groups and helps maintain the Science and Learning Center. Term of employment has some flexibility. This is a full-time temporary position that requires weekend and overnight work. *Four positions are available.*

DUTIES AND RESPONSIBILITIES:

- Education (50% of time)
 - Facilitate safe and educational programs for youth ages 6 through 18
 - Lead/co-lead science activities and hikes
 - Develop science and outdoor learning activities
 - Maintain and organize educational supplies
 - Communicate with teachers, group coordinators, and parents
 - Work collaboratively with education team to plan and implement programs and activities that meet the group's and/or MSHI's goals for their experience
 - Actively and positively contribute to planning and debrief meetings
 - Serve as a positive role model for students/campers and use positive behavior guidance strategies
 - Conduct surveys and other evaluations (quantitative and qualitative)
 - Manage waivers and other program documentation
 - Promptly and professionally respond to risks, complaints, and injuries
 - Maintain a safe, friendly and fun learning environment for all
- Rentals & Events (25% of time)
 - Provide building tours, expectations and checkout instructions to rental groups upon arrival.
 - Deliver excellent customer service to groups during their stay.
 - Clean facility after rental groups depart and report on their experience.

- Co-plan and prepare events at the Science and Learning Center.
- Support day-of program activities.
- Program Support (25% of time)
 - Inventory, shop, prepare, and serve simple buffet-style meals per health department stands with considerations for guests' dietary restrictions.
 - Clean facility after programs
- As a small non-profit, we all wear many hats! There will be other duties as assigned.

REQUIRED QUALIFICATIONS:

- Demonstrated 1+ year experience teaching and leading outdoor, science-based education programs for youth, such as at a camp or education center.
- Demonstrated ability to work well with people of diverse backgrounds, ages and cultures.
- Excellent communication skills including public speaking and writing and editing.
- Demonstrated computer competency.
- Enthusiasm for the mission of the Mount St. Helens Institute.
- First aid and CPR (or higher) certification or willingness to obtain.
- Ability to pass a background check.
- Have a valid driver's license with an acceptable driving record for the past three years.

IDEAL CANDIDATE WILL:

- Be able to work effectively in a team with minimal supervision.
- Be willing to be coached and open to feedback.
- Be able to think creatively and critically to solve problems.
- Have excellent time-management, organizational,] and planning skills.
- Be flexible to changing hours, pressures and deadlines, and an evolving organization.
- Demonstrate cultural competency.

ABILITIES: Regular office and computer work is required for 8+hours/day. Regular work for more than 10 hours per day while standing and walking. Ability to hike 2.5 miles on trails. Work will also be conducted outdoors in a variety of weather conditions and terrain. Driving to locations around Mount St. Helens (up to 3 hours) is common. The Science Educator must possess a valid driving license and pass a criminal background check.

WORKING HOURS: This is full-time temporary seasonal position. Some days will longer than 10 hours and overnight work is required. The schedule will vary based on program dates but the schedule will be announced at minimum of 2 weeks in advance.

LOCATION: Most of this position will be based at the Science and Learning Center at Coldwater, 40 miles east of Castle Rock, WA on the northwest side of Mount St. Helens. Regular travel around Mount St. Helens and neighboring communities will be necessary with overnight camping at various field sites required. On-site housing may be available for approximately \$5.55/day either in Amboy, WA (~2 hour drive from the Science and Learning Center) or near the Science and Learning Center. The Science and Learning Center at Coldwater is in a remote location with little cell service.

ABOUT US: MSHI is a non-profit organization dedicated to advancing understanding and stewardship of the earth through science, education and exploration of volcanic landscapes. MSHI functions as a tight-knit group of individuals united in our common passion for Mount St. Helens. We value diversity, good challenges, adventure, fun, partnership and community. We work closely

with the Mount St. Helens National Volcanic Monument staff on a daily basis and operate under US Forest Service special use permit.

OUR COMMITMENT: The Mount St. Helens Institute fundamentally believes that its employees are a valuable source of ideas for improving operations and making the workplace more interesting and attractive. In order to do so, we ensure that all employees work in an environment free of discrimination. All candidates applying for this position will be reviewed without regard to race, color, creed, religion, sex, age, national origin, veteran or marital status, sexual orientation, or disability. This institution is an equal opportunity provider. Review the Mount St. Helens Institute's [Diversity, Equity and Inclusion Statement](#).
