

Create your own timeline of events important in your life! Your name: _____

My timeline is about _____.

Instructions for making your timeline:

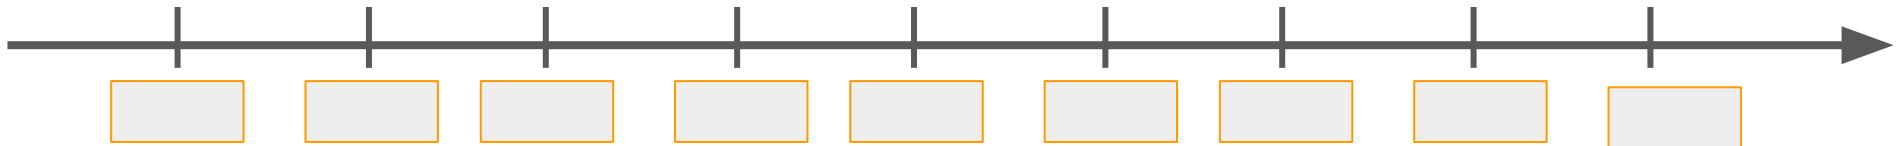

1. Create a title for your timeline.
2. Define the start and end of your timeline. This can simply be "past" and "future" or specific dates.
3. Define the periods of time you want represented on your timeline. For example, on the timeline to the right, each tick mark represents 5 years. You can label the tick marks with specific dates.
4. Define important events in the boxes and draw arrows to represent where they occur on the timeline.
